NEW FORMAT CPD menu for 2011 – 2012 Bespoke Training Opportunities for Language Teachers in Wales

In order to provide teachers with more flexible access to professional development, CILT Cymru is proposing a menu of CPD opportunities in a variety of formats. Training can be accessed by schools or groups of schools, LEAs or consortia.

We can provide input on a variety of themes, as outlined below. Each theme has clear links to the School Effectiveness Framework and/or the Key Questions in the Estyn Inspection Framework. You decide which theme or themes you'd like training on, and when, where and for how long you want it. Please have a look and see what you feel would be appropriate, complete the attached request form and return it to CILT Cymru (address above).
