

Languages in Wales and The World

Course description:

A one-day course for Yr 11, AS and A level pupils to learn about opportunities for young linguists in the world of work.

Outcomes:

- To gain an understanding of the importance of languages in a variety of workplaces.
- To use and develop their language skills to meet and exchange experiences with other young linguists.
- To gain an understanding of what language learning can involve at university level.
- To broaden their language learning skills with a taster session in an unfamiliar language.

This will be an interactive day with a wide variety of activities for participants including taster sessions, language games, quizzes and presentations.

Speakers:

- University teaching staff and language students.
- Speakers from the public and private sectors.
- Erasmus students and staff from the Widening Access Network
