

and talented learner in MFL

Course description:

A one-day course for language teachers exploring ways to get the most from learners in languages.

Outcomes:

- To develop strategies which raise the cognitive challenge within language lessons to cater for more able and talented learners
- To explore the creative use of ICT to facilitate progression in all skills
- To examine case studies and consider opportunities to maximise pupils' achievement

Speakers:

Ciara Brennan and Kristina Hedges, Language Teaching Advisers, CILT Cymru

Dates and venues:

Wednesday March 10th 2010, Liberty Stadium, Swansea
