CILT Cymru would like to thank all the teachers, pupils and schools involved in the Key Stage 2 MFL Pilot Project who have shared their experiences and provided case study material and photographs and without whose hard work and dedication to primary modern foreign languages, this guidance would not be possible.

CILT Cymru is also grateful to schools involved in the CILT Cymru Triple Literacy Action Research Project (2005-2007) and schools involved in international projects through British Council funding. In particular CILT Cymru would like to thank the following:

Ysgol Botwnnog and its associate primary schools, Gwynedd
Glenboi Community Primary School, Mountain Ash
Ysgol Gynradd Glan Conwy, Conwy
Ysgol Gynradd Llangadog, Carmarthenshire

We are grateful to the ESRC Centre for Research into Bilingualism in Theory and Practice, Bangor, for their continued support and unique insight into language learning in Wales.

Many thanks also to the KS2 guidance working group and the many other contributors, including teachers, headteachers, LEA advisers, ESTYN inspectors and the Welsh Assembly Government, for their invaluable input and support throughout the pilot and during the development of this guidance.
